progression to start the foundation for the track. Royalty-free beatbox shock loops are the main driver for the overall groove of this hit. (Doug, E Fresh Style) Drums (kick and trap) - layered with a few one hits (download 51 free custom hip-hop drum samples here) Hi hats and extra percussion - Hat, shaker and outdoor hi-hat sequence (programmed) Lead synth - is the main lead that plays over the main melody for most of the rhythm. Hook synths - Using the same lead synth tunes, four additional lead sounds were stacked for the chorus. Cotton - added some extra filler claps to the drum sequence. Bass - Straight forward the bass line using a filtered synth bass patch. (grab the TCustomz Bass Sample Pack here) Synth FX 1 and 2 - A pair of thin synth fillers works to help fill the track a bit. Vox FX 1 and 2 are vocal samples taken directly from the TCustomz Vox Kit Vol sample. 1. High energy! Hook FX - Four extra thin fx sounds, hard cooked to take extra space during the hook. Transition FX - Two struts FX sounds layered to go in and out of the chorus.
